Dear Mr. McGuinty,

On behalf of the Board of the Heron Emergency Food Centre, I wish to express our sincere appreciation for your support of our third annual walk to raise funds. Your personal participation and your words of encouragement were important for our volunteers and walkers.

I am pleased to report that the walk raised just over \$11,000, which will go far to meet the ever-increasing demand for help in making ends meet for the less fortunate in Ottawa South. In October, we served 1,460 people, an increase of 22% over the same month in 2010. In these circumstances, it is clear that we will need to have another fundraising walk in 2012. I trust we can rely on your continuing support at that time.

Thank you as well for directing the \$50 honorarium from the Political International Development Studies Association to HEFC. Like all the funds raised at the walk, it will be used solely to buy food.

Sincerely,

Greg Yost

President
